CTL

MWE - Compact Track Loader Rubber Tracks

Warranty period begins on the date of purchase

15 month or 1000 hours, whichever comes first, with no prorating in the first 8 months. Prorating begins in the ninth month and is based on the following percentages:

9 th month	10 th month	11 th month	12 th month	13 th month	14 th month	15 th month
50% of purchase price	45% of purchase price	40% of purchase price	35% of purchase price	25% of purchase price	15% of purchase price	10% of purchase price

- Limited to manufacturer defects.
- Warranty does not cover damage caused by use in demolition type applications, damage cause by user that is outside the scope of normal operating conditions, and use deemed to be non-typical. These factors include but are not limited to overloading, tears and cuts caused by use, and fire or other natural disasters.
- Warranty does not cover damage caused by worn undercarriage or improper installation.
- Warranty is non-transferable.
- Shipping is not included in any warranty of rubber tracks and is the responsibility of the purchaser.
- If a warranty is deemed acceptable, the claim award is towards the purchase of replacement tracks from MWE Sales LLC. and is not issued as a refundable cash value.
- Warranties do not cover any cost of loss of operation of the machine, nor does it cover any cost of installation or removal.
- Additional coverage may be issued based upon the determination of the claim.

MX
